

(S)-Rivastigmine-d₆ tartrate

Cat. No.:	HY-11017AS
CAS No.:	194930-00-2
Molecular Formula:	C ₁₈ H ₂₂ D ₆ N ₂ O ₈
Molecular Weight:	406.46
Target:	Cholinesterase (ChE)
Pathway:	Neuronal Signaling
Storage:	-20°C, sealed storage, away from moisture * In solvent : -80°C, 6 months; -20°C, 1 month (sealed storage, away from moisture)

BIOLOGICAL ACTIVITY

Description

(S)-Rivastigmine-d₆ (tartrate) is the deuterium labeled (S)-Rivastigmine, which is an cholinesterase inhibitor.

Caution: Product has not been fully validated for medical applications. For research use only.
